

## Relationships Questionnaire

First, please answer the questions below. Your answers to these questions are important because we can match up your responses today with your responses at another time.

We do NOT want you to put your name on the questionnaire because some of the questions are quite personal and sensitive. This way, you can know that your responses (about you and your family) will stay anonymous and confidential.

This front sheet will be removed from the rest of the questionnaire as soon as possible.

1) What are the last 3 digits of your home telephone number?

-----

2) What month were you born in?

## Secondary version PRE-TEST

Again, we need to tell you that the questions on this page are very sensitive and personal (about your family). You do not have to answer the questions if you do not want to and you can stop answering the questions at any time.

Now think about the adults who look after you at home - e.g. your parents, stepparents, guardians or foster carers. The questions below ask about things that can happen between two partners in a relationship.

At any time in your life that you are aware of, has an adult who looks after you:

	(Please circle one)	If you ticked once or more than once did this happen in the last 12 months?
1) Ever been pushed, slapped or grabbed by their partner?	Never/Once/More than once	Yes/No
2) Ever been punched, kicked, choked, or beaten up by their partner?	Never/Once/More than once	Yes/No
3) Ever been threatened to be physically hurt by their partner?	Never/Once/More than once	Yes/No
4) Ever been called nasty names by their partner to put them down?	Never/Once/More than once	Yes/No
5) Ever been stopped by their partner from seeing their friends or family?	Never/Once/More than once	Yes/No
6) Ever been told by their partner who they can't speak to?	Never/Once/More than once	Yes/No
7) Ever been checked up on by their partner - who they have phoned or sent messages to?	Never/Once/More than once	Yes/No
8) Ever had something of theirs damaged by their partner on purpose?	Never/Once/More than once	Yes/No

Suppose you found out that an adult who looks after you was being hit by their partner, how likely would you be to seek help from an adult outside of your friends and family? (e.g. a teacher, school nurse, social worker)?

☐   
Not at all likely

☐   
Not likely

☐   
Somewhat likely

☐   
Very likely

Thank you
